

LETŠENG DIAMONDS

We Mine. We Care. We Contribute.

THE 2027 SCHOLARSHIP PROGRAMME

INVESTING IN TODAY. EMPOWERING TOMORROW.

ABOUT THE SCHOLARSHIP

Letšeng Diamond Mine, a producer and marketer of world-class diamonds, offers full scholarships to students currently studying or are interested to study for tertiary qualifications. The scholarships are offered in courses that relate to the development of Lesotho's natural resources. Through this all-inclusive scholarships and internship programme, Letšeng produces and nurtures the future captains of Lesotho's mining industry.

FIELDS OF STUDY

Applications are invited in the 2027 academic year for sponsorship in the following fields of study at undergraduate levels:

- Mechanical Engineering Draughtsman - Diploma/Degree
- Artisan (Diesel Mechanic & Auto-Electrician) - Tradesmanship

ELIGIBILITY CRITERIA

Applicants must:

- Be Lesotho Nationals
- Be not older than **30** years
- The award of scholarship is further subject to candidates having gained admission at the recognised tertiary institutions

APPLICATION PROCESS

Applications must be on the standard form, which must be downloaded from Letšeng Diamonds website at www.letsengdiamonds.co.ls

Completed applications must be submitted via email to applications@letseng.co.ls on or before the stipulated closing date

The closing date for Applications is **18 SEPTEMBER 2026**
